

AGENDA ITEM FOR ADMINISTRATIVE MEETING ( ) Discussion only  
(XXX) Action

FROM (DEPT/ DIVISION): UCo Health

SUBJECT: Ultrasound Device Purchase

<p>Background: UCo Health operates a reproductive health clinic in Pendleton and Hermiston. Our Nurse Practitioner has expressed interest in having ultrasounds available to improve services being provided and increase patient safety. In response, we sought out a grant from OHA and have been awarded \$31,000 for the purchase of an ultrasound device and related personnel / training related to the use of the device. Three quotes have been obtained and we recommend the purchase of the Clarius handheld ultrasound device in the amount of \$13,644. No general funds will be used for the purchase of this device.</p>	<p>Requested Action: Approve payment of \$13,644 to purchase a Clarius handheld ultrasound.</p>

To: Lillian Hillis <lillian.hillis@umatillacounty.gov>

This sounded like the best one I have contacted. It has a little more AI so help with parts of the US.  
Let me know if you want to talk about it.  
Thanks  
Tracy

Thank you, Abdel.

Good afternoon Tracy-

It's great to meet you electronically! I have summarized my recommended package for the EC7 and C3 below:

### Clarius EC7 and C3 w/Membership

EC7 HD3 Scanner	\$5,395
C3 HD3 Scanner	\$3,595
EC7 Membership	\$1,785 - \$267.75 = \$1,517.25
C3 Membership	\$1,785 - \$267.75 = \$1,517.25
EC7 Clarius Care	\$795 - \$119.25 = \$675.75
C3 Clarius Care	\$795 - \$119.25 = \$675.75
Power Fan HD3	\$159
Premium Bag	\$59
<u>Shipping</u>	<u>\$50</u>

**\$13,644 (excluding tax)**

Membership provides access to all advanced specialty software including multiple AI driven workflow settings for specific areas of anatomy to optimize your image, Power Doppler, Color Doppler, Pulsed Wave Doppler, Needle Enhance, Voice Controls, Clarius Live telemedicine, Monthly Members Only Education, and unlimited HIPAA compliant [Clarius Cloud](#) storage with exam reporting capabilities. Clarius Care is available in addition to the included 3-year mechanical warranty and provides coverage on the battery, physical damage (drops), theft protection, and an expedited loaner if an issue presents that requires repair or replacement. The Power Fan allows you to use the scanner beyond the 1-hour battery life while simultaneously cooling and charging the device.

Abdel informed me that you may need a formal quote for the grant. If you can clarify on your bill to and ship to address, I would be happy to provide this for you.

Please let me know what I can do for you. Thank you! –Sam

Hey Tracy,

Thanks for taking the time to attend our Product Demo today showcasing our EC7 and C3 scanners.

I've included Sam Jensen on the email, he is your Regional Sales Manager.

As discussed, Sam will provide a quote on the following items:

- EC7 Scanner with 3 years Membership and 3 years Clarius Care.
- C3 Scanner with 3 years Membership and 3 years Clarius Care
- 1x Power fan add on
- 1x Premium Case add on (Portable bag)

Finally, I've included our info on [Section 179](#) for tax rebates you're eligible for.

Please let Sam or myself know if you have any questions.

Best Regards,

**Abdel Elassal**

This Agreement (as defined below) is by and between the Customer and the GE HealthCare business (“GE HealthCare”), each as identified below for the sale and purchase of the Products and/or Services identified in this Quotation, together with any applicable schedules referred to herein (“Quotation”). “Agreement” is this Quotation (including line/catalog details included herein) and either: (i) the Governing Agreement identified below; or (ii) if no Governing Agreement is identified, the GE HealthCare Terms and Conditions and Warranties that apply to the Products and/or Services identified in this Quotation.

GE HealthCare can withdraw this Quotation at any time before Customer: (i) signs and returns this Quotation or (ii) provides evidence of Quotation acceptance satisfactory to GE HealthCare (“Quotation Acceptance”). On Quotation Acceptance, this Agreement is the complete and final agreement of the parties relating to the Products and/or Services identified in this Quotation. There is no reliance on any terms other than those expressly stated or incorporated by reference in this Agreement and, except as permitted in this Agreement, no attempt to modify will be binding unless agreed to in writing by the parties. Modifications may result in additional fees and cannot be made without GE HealthCare’s prior written consent.

Handwritten or electronic modifications on this Agreement (except an indication of the form of payment, Customer purchase order number and signatures on the signature blocks below) are void.

Governing Agreement:	GEHC Standard Terms Apply
Terms of Delivery	FOB DESTINATION
Billing Terms	100% billing at Ship Completion (Fulfillment) / Delivery
Payment Terms	Net Due in 30 Days
Sales and Use Tax Exemption	No Certificate on File
Total Quote Net Selling Price	\$27,055.60

## Quotation

Line	Qty.	Catalog	
1	1.00	H8051VA	<b>Versana Active™ R1.5 4D with 7-year Remote Technical and Clinical Support</b>

The Versana Active™ 1.5 4D ready ultrasound system is a compact, laptop-style ultrasound system that is lightweight and portable, allowing you to actively take your system to where you are delivering patient care. This high-quality, reliable, yet affordable system is capable to cover a broad range of everyday exams, combining excellent image quality and simplified workflow to help you deliver care with confidence.

The Versana Active 1.5 4D ready ultrasound system helps you achieve great images using tools including CrossXBeam™ (Spatial Compounding) and SRI (Speckle Reduction Imaging). Whizz dynamic image tuning provides seamless, continuous image optimization. The smart design of the system includes a 15.6" LED backlit monitor and an integrated carrying handle. Scanning modes include B-Mode, M-Mode, Color M-Mode, Color Flow Mode, Power Doppler Imaging (PDI), Directional PDI, and Pulsed Wave Doppler with high PRF.

Standard clinical software and workflow features include: Scan Assistant is a feature to build protocols to enhance workflow; Steps include image annotations, mode transitions, basic imaging controls and measurement initiation which comes as factory programmed / user defined. –SonoBiometry improves OB scan workflows, through automatic four routine fetal biometry measurements: BPD, HC, AC and FL and also automatically places calipers to help reduce keystrokes, providing operator independent measurements, with choice to edit, discard and manually overwrite. –Auto Bladder software enables automatic detection of bladder border and volume calculations, including a volume estimate of residual urine. –DICOM\*\* software package providing provides Verify, Print, Store, Multiframe, Modality Worklist, MPPS (Modality Performed Procedure Step), Storage Commitment, and Media Exchange. –Tricify\*\* uplink capability. Other system features include: user programmable presets and digital copy of user documentation (eDocs), power adapter and power cord.

Versana Active™ 1.5 3D / 4D imaging 4D provides continuous, high volume acquisition of 3D images. 4D adds the dimension of "movement" to a 3D image by providing continuous, real-time displays. TUI included

Initial installation includes connection to customer network, 4 sessions of Online Applications training, not to exceed 1 hour each, and 1 application day. As part of the Equipment warranty, and for a period of 7 years from Equipment Acceptance, GE Healthcare will provide: (i) technical phone support for the Equipment, from 7am to 7pm CST, Monday-Friday (excluding GE Healthcare holidays); and (ii) clinical applications support for the Equipment by telephone, Monday-Friday, 8am to 5pm CST (excluding GE Healthcare holidays). Off-hours support is available for an additional fee. The extent of technical phone support may differ by product type. On-site corrective maintenance/support and parts are excluded from this support. This support requires remote connectivity if the Equipment has remote access capability and is only available for customer personnel trained by GE Healthcare to use the Equipment. If GE Healthcare determines that it can no longer provide the support, then it may, upon notice, discontinue the support. Training must be completed within 12 months after Product delivery, otherwise GE Healthcare's obligation to provide the training will expire without refund. Warranty details: Versana Active 1.5 4D ready ultrasound system includes a 5-year warranty that covers defective parts, components, and probes purchased with the system and includes: (i) repair at GE Healthcare facilities, (ii) a loaner unit or probe replacement shipped for next business day delivery for requests received by 3pm Central Time (subject to availability), (iii) phone support from 7am to 7pm Central Time, Monday-Friday, excluding GE Healthcare holidays. The Versana Active cart, accessories, peripherals, and batteries purchased with the Versana Active 1.5 4D ready ultrasound system are covered for 12 months. For an additional charge, GE Healthcare may provide planned maintenance, and/or coverage for accidental damage. \*\*Third party trademarks are the property of their respective owners.

### 1. Warranty.

1.1. **Equipment.** For non-customized Equipment purchased from GE HealthCare or its authorized distributors, unless otherwise identified in the Quotation, GE HealthCare warrants that Equipment will be free from defects in title, and, for 1 year from Equipment Acceptance, it will: (i) be free from defects in material and workmanship under normal use and service; and (ii) perform substantially in accordance with the Specifications. The warranty covers parts and labor and only applies to end-users that purchase Equipment from GE HealthCare or its authorized distributors.

1.2. **Software.** For Software licensed from GE HealthCare, GE HealthCare warrants that: (i) it has the right to license or sublicense Software to Customer; (ii) it has not inserted Disabling Code into Software; (iii) it will use efforts consistent with industry standards to remove viruses from Software before delivery; and (iv) unless otherwise identified in the Quotation, for 90 days from Software Acceptance, Software will perform substantially in accordance with the Documentation. “**Disabling Code**” is code designed to interfere with the normal operation of Software, but code that prohibits use outside of the license scope is not Disabling Code.

1.3. **Services.** GE HealthCare warrants that its Service will be performed by trained individuals in a professional, workman-like manner.

1.4. **Used Equipment.** Certain Used Equipment is provided with GE HealthCare’s standard warranty for the duration identified in the Quotation, but in no event more than 1 year. If no warranty is identified, the Used Equipment is provided “AS IS” and is not warranted by GE HealthCare.

1.5. **Accessories and Supplies.** Warranties for accessories and supplies are at [www.gehealthcare.com/accessories](http://www.gehealthcare.com/accessories).

1.6. **Third Party Product.** Third Party Product is covered by the third party’s warranty and not GE HealthCare’s warranties.

1.7. **Subscription Products.** Unless otherwise specified, Products provided via Subscription do not include a warranty.

1.8. **SaaS Offerings.** Unless otherwise specified, SaaS Offerings do not include a warranty.

**2. Remedies.** If Customer promptly notifies GE HealthCare of its claim during the warranty and makes the Product available, GE HealthCare will: (i) at its option, repair, adjust or replace the non-conforming Equipment or components; (ii) at its option, correct the non-conformity or replace the Software; and/or (iii) re-perform non-conforming Service. Warranty service will be performed from 8am to 5pm local time, Monday-Friday, excluding GE HealthCare holidays, and outside those hours at GE HealthCare’s then-current service rates and subject to personnel availability. GE HealthCare may require warranty repairs to be performed via a secure, remote connection or at an authorized service center. If GE HealthCare replaces Equipment or a component, the original becomes GE HealthCare property and Customer will return the original to GE HealthCare within 5 days after the replacement is provided to Customer. Customer cannot stockpile replacement parts. Prior to returning Equipment to GE HealthCare, Customer will: (a) obtain a return to manufacturer authorization; and (b) back up and remove all information stored on the Equipment (stored data may be removed during repair). Customer is responsible for damage during shipment to GE HealthCare. The warranty for a Product or component provided to correct a warranty failure is the unexpired term of the warranty for the repaired or replaced Product.

GE HealthCare may provide a loaner unit during extended periods of Product service or for GE HealthCare Product training purposes. If a loaner unit is provided: (i) it is for Customer’s temporary use at the location identified in the Quotation; (ii) it will be returned to GE HealthCare within 5 days after the Product is returned to Customer, and if it is not, GE HealthCare may repossess it or invoice Customer for its full list price; (iii) it, and all programs and information pertaining to it, remain GE HealthCare property; (iv) risk of loss is with Customer during its possession; (v) Customer will maintain and return it in proper condition, normal wear and tear excepted, in accordance with GE HealthCare’s instructions; (vi) it will not be repaired except by GE HealthCare; (vii) GE HealthCare will be given reasonable access to it; (viii) Customer is not paying for its use, and Customer will ensure charges or claims submitted to a government healthcare program or patient are submitted accordingly; and (ix) prior to returning it to GE HealthCare, Customer will delete all information, including PHI, from it and its accessories, in compliance with industry standards and instructions provided by GE HealthCare.

NO OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING IMPLIED WARRANTIES OF NON-INFRINGEMENT, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WILL APPLY. SERVICE MANUALS AND DOCUMENTATION ARE PROVIDED “AS IS”. GE HEALTHCARE DOES NOT GUARANTEE PRODUCTS WILL OPERATE WITHOUT ERROR OR INTERRUPTION.

**3. Limitations.** GE HealthCare has no obligation to Customer for warranty claims if Customer uses the Product: (a) for non-medical or entertainment use or outside the United States; (b) in combination with software, hardware, or services not recommended in writing by GE HealthCare; and (c) in a manner or environment for which GE HealthCare did not design or license it, or in violation of GE HealthCare’s recommendations or instructions. GE HealthCare has no obligation to Customer for warranty claims for damages or deficiencies outside GE HealthCare’s reasonable control.

In addition, these warranties do not cover: (i) defects or deficiencies from improper storage or handling, maintenance or use that does not conform to Specifications and/or Documentation, inadequate backup or virus protection, cyber-attacks, failure to maintain power quality, grounding, temperature, and humidity within Specifications and/or Documentation, or other misuse or abuse; (ii) repairs due to power anomalies or any cause external to the Products or beyond GE HealthCare’s control; (iii) payment or reimbursement of facility costs arising from

repair or replacement of the Products or parts; (iv) planned maintenance (unless applicable to Equipment), adjustment, alignment, or calibration; (v) network and antenna installations not performed by GE HealthCare or its subcontractors; (vi) lost or stolen Products; (vii) Products with serial numbers altered, defaced or removed; (viii) modification of Product not approved in writing by GE HealthCare (ix) Products immersed in liquid; (x) for Mobile Equipment, defects or deficiencies from mobile use outside of normal transportation wear and tear (excluding OEC regarding transportation wear and tear) and (xi) replacement of disposable or consumable items.

#### **4. Exceptions to Standard Warranty.**

**Partial System Equipment Upgrades for CT, MR, X-Ray, IGS, PET (Scanners, Cyclotrons and Chemistry Labs) and Nuclear systems:** 6 months (only applies to the upgraded components unless the parties otherwise agree to modify the coverage of the upgraded and existing components in an existing service agreement. Optima XR240amx partial upgrades are warranted for 1 year on the wireless detector. This exception does not apply to the Artist Evo 1.5T and Premier Evo 3T upgrades which will have a full system one year warranty.

**Cyclotron and Radiopharmacy:** Warranty starts on the earlier of (i) 3 months after the date GE HealthCare completes mechanical installation, or (ii) the date Product testing is successfully completed

**MR Systems:** Warranty does not cover: (i) a defect or deficiency from failure of water chillers supplied or serviced by Customer, and (ii) for MR systems with LHe/LN or shield cooler configured superconducting magnets (except for MR Systems with LCC magnets), any cryogen supply, cryogenic service or service to the magnet, cryostat, coldhead, shield cooler compressor or shim coils unless the need for supply or service is caused by a defect in material or workmanship covered by this warranty.

**Proteus XR/a, Definium and Precision 500D X-Ray Systems:** Warranty does not cover collimator bulbs

**Performix 160A (MX160) Tubes:** 3 years

**X-Ray High Voltage Rectifiers and TV Camera Pick-Up Tubes:** 6 months

**X-Ray Wireless Digital Detectors:** In addition to the standard warranty, GE HealthCare will provide coverage for detector damage due to accidental dropping or mishandling. If accidental damage occurs, GE HealthCare will provide Customer with 1 replacement detector during warranty at no additional charge. If subsequent accidental damage occurs during warranty, each additional replacement will be provided for \$30,000 per replacement. This additional coverage excludes damage caused by any use that does not conform to original equipment manufacturer (“OEM”) guidelines, use that causes fluid invasion, holes, deep scratches or the detector case to crack, and damage caused by abuse, theft, loss, fire, power failures or surges. If the warranty is voided by these conditions, repair or replacement is Customer’s responsibility.

**Bone Mineral Densitometry:** Alpha Source, Inc. will perform installation, application support and warranty services. Direct warranty claims to Alpha Source, Inc. at 1-800-654-9845. Upgraded computer, printer and monitor components include a 1 month warranty. Customer will not be credited the value of this warranty against pre-existing warranties or service agreements.

**OEC New or Exchange Service Parts:** 120 days

**OEC Tubes and Image Intensifiers:** 1 year

**HealthNet Lan, Advantage Review — Remote Products:** 3 months

**LOGIQ e, Venue 50, Venue Go, Versana Active and related transducers purchased with them:** 5 years

**LOGIQ V1, LOGIQ V2, Vivid iq, Vscan and Vscan Extend and related transducers purchased with them:** 3 years

Except the following have a 1 year warranty:

Transducers: TEE Probes,

Carts: Venue 50 Docking Cart, Venue Go Cart, Venue Go mounting cradle, LOGIQ e Isolation Cart, LOGIQ e Docking Cart, LOGIQ V1/V2 Cart and Vivid IQ cart

Other Accessories: Batteries (internal & external), and printers and peripherals, TEE cleaning & storage system, ICECord Connector and printers

Warranty covers defective parts and components and includes: (i) repair at GE HealthCare facilities, (ii) a loaner unit or probe replacement shipped for next business day delivery for requests received by 3pm Central Time, (iii) phone support from 7am to 7pm Central Time, Monday-Friday, excluding GE HealthCare holidays. For an additional charge, GE HealthCare may provide field support/service, planned maintenance, and/or coverage for damage due to accidental dropping or mishandling.

**LOGIQ P9 R2.5 and newer and, Versana Premier, Versana Balance, Venue and related transducers purchased with them:** 5 years

**Voluson P8 BT18 and newer, Voluson SWIFT, Voluson S8 Touch and Voluson S10 Expert, LOGIQ F8 2016 and newer, LOGIQ V5, Vivid T8 and Vivid T9 and related transducers purchased with them:** 3 years

Except the following have a 1 year warranty:

Other Accessories: Batteries (internal & external) and printers and peripherals, TEE cleaning & storage system

Transducers: TEE Probes

Warranty Includes: (i) repair at Product location by a qualified service technician Monday-Friday 8am to 5pm local time, excluding GE HealthCare holidays, and (ii) phone support from 7am to 7pm Central Time, Monday-Friday, excluding GE HealthCare holidays. For an additional charge, GE HealthCare may provide planned maintenance and/or coverage for damage due to accidental dropping or mishandling.

**Ultrasound Partial System Equipment Upgrades:** 3 months (only applies to the upgraded components). Customer will not be credited the value of the warranty against pre-existing warranties or service agreements.

**Veterinary Use:** Notwithstanding anything herein, any Product validated and sold by GE HealthCare for specific use in the veterinary market shall have a one (1) year warranty.

**Batteries:** 3 months, except for x-ray nickel cadmium or lead acid batteries and ultrasound batteries, which are warranted for 1 year

**CARESCAPE Monitors B450, B650 and B850** 3 years parts, 1 year labor (excluding displays, which are standard 1 year parts and labor)

**CARESCAPE ONE :** 3 year parts, 1 year labor (excluding displays, which are standard 1 year parts and labor)

**Micromodules:** 3 year parts, 1 year labor (i) repair services performed at GE HealthCare Repair Operations Center

**B40 Monitors:** 2 years parts, 1 year labor (excluding displays, which are standard)

**B105 B125, and B155 Patient Monitors:** 3 years with: (i) repair services performed at GE HealthCare Repair Operations Center, (ii) phone support from 7am to 5pm Central Time, Monday-Friday, excluding GE HealthCare holidays; and (iii) a loaner Product (subject to availability; shipping charges included).

Hi Lillian,

Thank you for your time on the phone today. Greatly appreciated!

About us:

- We have over 100 years of combined experience in the ultrasound industry and strive to fit our customers with the right product for their applications at an affordable price.
- We offer value as opposed to going with the more expensive OEM for equipment, parts, service, and repair.
- We are also compliant in both state (CBOP) and federal (FDA) agencies in order to distribute (and import) class II medical devices with an Rx label.
- We believe in a thorough, educational process (with no sales pressure) when looking for a new system or upgrade.

Testimonials: <https://www.ultrasoundportables.com/testimonials>

-----  
Here is the option below that we discussed - price estimate includes main unit, curved and transvaginal transducer, and warranty.

- Refurbished Sonosite EDGE II - (1) year - \$21500 not your typical refurb, goes through extensive testing, certified, phantom scan shots provided, like new condition

<https://www.ultrasoundportables.com/by-manufacturer/sonosite/sonosite-edge-ii>

-----  
Please hit me with any questions and feedback on this. The workflow is easier also for those new to the platform. Thanks again for your time on the phone - I always recommend speaking to a human to gauge their product knowledge (too many salespeople and not enough product consultants).

When do you need the new system in place?

Best regards,

Doug @ UDS
