Umatilla County Sheriff's Office, [Pendleton Police Department](#) and [Pilot Rock Police Department](#) had the privilege to participate in Shop with a Cop at Walmart Pendleton. Local kiddos met for breakfast with Santa and Mrs. Claus, then they were paired up with an officer and helper to shop for items on their Christmas list. Officers even jumped in to participate in the wrapping. Every family was also provided a Christmas meal. The event helps to build a lasting positive relationship between children and law enforcement by giving them a positive experience with us. Thank you to Pendleton Police Department for coordinating the event and inviting us to participate. Thank you to Pendleton Walmart for hosting. From our family to the children and their families; MERRY CHRISTMAS!!
