Measure No: 102

Measure Designation: Referred to the People by the Legislative Assembly

Caption: Amends Constitution: Allows local bonds for financing affordable housing with nongovernmental entities. Requires voter approval, annual audits

Result of Yes: "Yes" vote allows local governments to issue bonds to finance affordable housing with nongovernmental entities. Requires local voters' approval of bonds, annual audits, public reporting.

Result of No: "No" vote retains constitutional prohibition on local governments raising money for/ loaning credit to nongovernmental entities; no exception for bonds to pay for affordable housing.

Summary: Amends Constitution. The constitution currently prohibits most local governments from raising money for, or loaning credit to, or in aid of, any private entity. Measure allows local governments to issue general obligation bonds to finance the cost of constructing affordable housing including when the funds go to a nongovernmental entity. Measure requires that local authorizing bonds be approved by local voters and describe affordable housing to be financed. The jurisdiction authorizing bonds must provide annual audits and public reporting on bond expenditures. Measure limits jurisdiction's bonded indebtedness for capital costs of affordable housing to one-half of one percent of the value of all property in the jurisdiction.

Financial Impact: This measure amends Article XI, section 9 of the Oregon Constitution to allow local governments to issue general obligation bonds to finance the cost of constructing affordable housing when partnering with a nongovernmental entity. The measure also requires that proposed bonds be approved by local voters and the jurisdiction authorizing the bonds must provide annual audits and public reporting on bond expenditures.

There is no financial impact to state revenue or expenditures.

There is no financial impact on local government revenue or expenditures required by the measure. The revenue and expenditure impact on local governments is dependent on decisions by local governments to propose bonding for affordable housing and voter approval of the proposed bonds.

Measure No: 103

Measure Designation: Proposed by Initiative Petition

Caption: Amends Constitution: Prohibits taxes/fees based on transactions for "groceries" (defined) enacted or amended after September 2017

Result of Yes: "Yes" vote amends Constitution; prohibits state/local taxes/fees based on transactions for "groceries" (defined), including those on sellers/distributors, enacted/amended after September 2017.

Result of No: "No" vote retains state/local government authority to enact/amend taxes (includes corporate minimum tax), fees, on transactions for "groceries" (defined), including on sellers/distributors.

Summary: Amends Constitution. Currently, state/local governments may enact/amend taxes/fees on grocery sales, including state corporate minimum tax, local taxes. Measure prohibits state/local governments from adopting, approving or enacting, on or after October 1, 2017, any "tax, fee, or other assessment" on sale/distribution/purchase/receipt of, or for privilege of selling/distributing, "groceries", by individuals/entities regulated by designated food safety agencies, including restaurants, or operating as farm stand/farmers market/food bank. Measure prohibits "sales tax, gross receipts tax, commercial activity tax, value-added tax, excise tax, privilege tax, and any other similar tax on sale of groceries." "Groceries" defined as "any raw or processed food or beverage intended for human consumption." Alcoholic beverages, marijuana products, tobacco products exempted. Other provisions.

Financial Impact: The financial impact is indeterminate.

Measure No: 104

Measure Designation: Proposed by Initiative Petition

Caption: Amends Constitution: Expands (beyond taxes) application of requirement that three-fifths legislative majority approve bills raising revenue

Result of Yes: "Yes" vote expands "bills for raising revenue," which require three-fifths legislative majority, to include (beyond taxes) fees and changes to tax exemptions, deductions, credits.

Result of No: "No" vote retains current law that bills for raising revenue, which require three-fifths legislative majority, are limited to bills that levy/increase taxes.

Summary: The Oregon Constitution provides that "bills for raising revenue" require the approval of three-fifths of each house of the legislature. The constitution does not currently define "raising revenue." Oregon courts have interpreted that term to include bills that bring money into the state treasury by levying or increasing a tax. Under that interpretation, a bill imposing a fee for a specific purpose or in exchange for some benefit or service is not included. Nor is a bill that reduces or eliminates tax exemptions. Proposed measure amends constitution and defines "raising revenue" to include any tax or fee increase, including changes to tax exemptions, deductions, or credits. Measure expands three-fifths legislative majority requirement to also apply to such bills.

Financial Impact: *State Government:* The financial impact to state revenue and expenditures is indeterminate.

Local Government: The financial impact to local government revenue and expenditures is indeterminate.

Measure No: 105

Measure Designation: Proposed by Initiative Petition

Caption: Repeals law limiting use of state/local law enforcement resources to enforce federal immigration laws

Result of Yes: "Yes" vote repeals law limiting (with exceptions) use of state/local law enforcement resources for detecting/apprehending persons suspected only of violating federal immigration laws.

Result of No: "No" vote retains law limiting (with exceptions) use of state /local law enforcement resources for detecting/apprehending persons suspected only of violating federal immigration laws.

Summary: Measure repeals ORS 181A.820, which limits (with exceptions) the use of state and local law enforcement money, equipment and personnel for "detecting or apprehending persons whose only violation of law" pertains to their immigration status. Current exceptions allow using law enforcement resources to:

- Detect or apprehend persons accused of violating federal immigration laws who are also accused of other violations of law;
- Arrest persons "charged by the United States with a criminal violation of federal immigration laws" who are "subject to arrest for the crime pursuant to a warrant of arrest issued by a federal magistrate";
- Communicate with federal immigration authorities to verify immigration status of arrested persons or "request criminal investigation information with reference to persons named in records of" federal immigration officials.

Financial Impact: The financial impact is indeterminate.

Measure No: 106

Measure Designation: Proposed by Initiative Petition

Caption: Amends Constitution: Prohibits spending "public funds" (defined) directly/indirectly for "abortion" (defined); exceptions; reduces abortion access

Result of Yes: "Yes" vote amends constitution, prohibits spending "public funds" (defined) directly/indirectly for any "abortion" (defined), health plans/insurance covering "abortion"; limited exceptions; reduces abortion access.

Result of No: "No" vote retains current law that places no restrictions on spending public funds for abortion or health plans covering abortion when approved by medical professional.

Summary: Amends Constitution. Under current law, abortions may be obtained, when approved by medical professional, under state-funded health plans or under health insurance procured by or through public employer or other public service. Measure amends constitution to prohibit spending "public funds" (defined) for "abortion" (defined) or health benefit plans that cover "abortion." Measure defines "abortion," in part, as "purposeful termination of a clinically diagnosed pregnancy." Exception for ectopic pregnancy and for pregnant woman in danger of death due to her physical condition. Exception for spending required by federal law, if requirement is "found to be constitutional." No exception for pregnancies resulting from rape/incest unless federal law requires. Effect on spending by public entities other than state unclear. Measure reduces access to abortion. Other provisions

Financial Impact: Ballot Measure 106 amends the Oregon Constitution by prohibiting the expenditure of public funds on abortions, except for those deemed to be medically necessary, required by the federal government, or to terminate a clinically diagnosed ectopic pregnancy.

The financial impact of the measure is anticipated to result in a net annual expenditure increase of \$19.3 million in public funds administered by state government. This increase is based on two factors: 1) an estimated decrease in state government expenditures of \$2.9 million resulting from the prohibition on spending public funds for abortions not exempted under the measure; and 2) an estimated increase of \$22.2 million in state government expenditures resulting from an estimated increase in births and corresponding utilization of health care, food, and nutrition services provided by state government programs. The net expenditure increase of \$19.3 million represents the estimated impact for the first year of the measure and would be a recurring expense each year thereafter at a level dependent on program caseloads and cost of providing services.

The net financial impact on state funds is expected to be a cost of \$4.8 million in the first year and will compound in future years. The future compounded costs are indeterminate.

The measure is also expected to increase annual federal matching funds received by state government by an estimated \$14.5 million to support the additional health care, food, and nutrition services. As with the estimated net increase in state government expenditures, the increase in federal revenue represents the estimated impact during the first year of the measure and would recur each year thereafter at a level dependent on program caseloads and cost of providing state government services.

The financial impact on local government is indeterminate.
