Report Survey and Plat of Change in Co. Road
From
Wheston to Pendleton

To the Hon County Court for
Wasilla County Oregon

The undersigned being appointed at the April term of County Court last to view a change in the County road leading from Wheston to Pendleton met the Surveyor on the day and at the place mentioned and described in our notification took to assist us S. Purdy and Wm Willaby as chainman and Mr. Maxwell as axman after being duly sworn proceeded to view survey and mark off said change in road as described in our notification and more particularly described in the accompanying Surveyors report and plat and find the route as changed to be on as good or better ground than the old but the distance will be increased about one and a half miles. I would recommend the change.

Respectfully yours

J M Johns
