

Report Survey and Plat of Change
in Co. Road passing Mrs. Lee's

Pendleton Oregon Dec 13 - 1876

To the Honorable County Court Umatilla Oregon

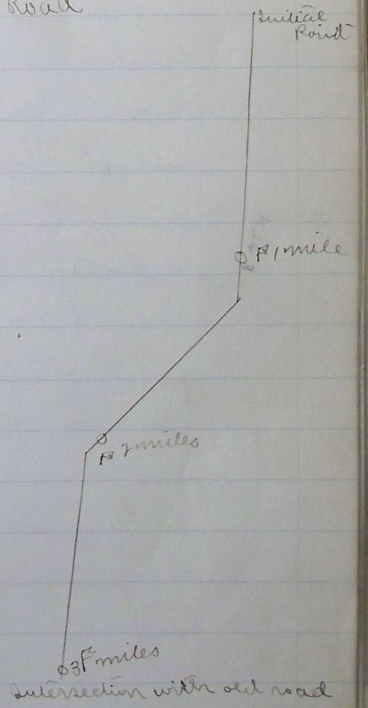

In the matter of the change in County Road passing Mrs. Lee's. We the undersigned viewers beg leave to report as follows: We commenced 30 feet west of the S.W. corner of J.W. Sparks land claim in the center of the County Road passing Mrs. Lee's and chained on said change 3 miles before intersecting with the old road, the change does not materially alter the distance and passes over better ground for a road than the old road and owing to the fact that the old road is being fenced up and that the mounds and stakes are nearly all obliterated and destroyed - we would recommend the change as a good one, and of public benefit and utility, for further particulars as regards distance and course we refer you to Surveyors report
