To the Hon. County Court of Wasilla County State of Oregon  
Gentlemen. The undersigned householders appointed  
at the last term of your Court to review a County Road on the  
land of James Royse on his petition bearing date of Jan. the 3<sup>rd</sup>  
have to report that they met at the time and place appointed by  
you and after calling the necessary assistants proceeded to re-  
view said road and the proposed new road and find the new  
route better than the old in this that the ground is as good and  
by actual measurement we find the distance eight rods shorter  
and we believe the change asked for is reasonable and would  
be of public utility and hereby recommend that the change  
be granted
