 and State would respectfully report that we met at the time and
 place appointed and after being qualified by A L Coffey the County
 Surveyor according to law, we called to our aid Mat Suran and
 Sol Johnson as chainmen and Wm Fraker as marker, we proceeded
 to view out and survey said road, commencing at the NW corner
 of Sec 2, T3. NR 33 E. from which we run west on town line
 between R 32 & 31, to the NW corner of Sec 6 in T3. NR 33 E. and
 at said point intersected the County Road running N & S. on line
 between Ranges 32 & 33. We further report that the route
 a good practical one and much needed and can be easily
 opened and kept in repair.
