We the undersigned viewers appointed to view, survey and locate the Road No 285 beg lief to report that we met June 13th 1887 and duly qualified and have discharged our duty in behalf of said road to the best of our ability. We are of opinion that said road should be changed and established as prayed for in the petition for the following reasons.

- 1st The road would then be on lines of the legal survey.
- 2^d The road would be on good ground.
- 3^d The road would afford better accommodations.
- 4th The road would not be materially lengthened.

Respectfully Submitted. This June 17th 1887.
