We, the undersigned, viewers on County road number 319 hereby report that we met County Surveyor Jno. C. Arnold at the time & place appointed for the same, & calling to our aid S. J. Myrick & Lincoln Jay we proceeded to view out & survey said road as prayed for in petition for the same.

We find the road located upon good ground, & already open to travel; we find that said road is of great utility & need as it operates as an outlet in the way of connecting two other roads; we, therefore would recommend that said road be declared, by your action, a county road & retain the present No. 319.
