

Witness our hands at Middle Cold Spring Canon, this 15th day of April 1890.

Robert Laing.
Evert J. Meiners

Filed May 7th 1890.
G.A. Hartman, Clerk

Field Notes, Road Survey, No 336 - Umatilla Co. Oregon

I met Robert Laing, and E. J. Meiners, Viewers on road Survey No 336, for Umatilla County Oregon, at residence of D.E. Cargill, Thursday 12th M. April 1st AD 1890, and administer usual Road Viewers oath to each of them.

We call D.E. Cargill to act as marker, and A.E. Rest and J.H. Sickmon, chainmen and qualify each according to law.

I set post 40 ft NE. of the point of intersection of the County road, leading down Middle Cold Spring canon, with the line running N + S through the center of Sec 21 T4 NR 32 E. W.M. with a Burt's Solar compass, regardless of Solar observations, I run North on true center Sec. line
- Var 19° E -

- m. 55 ft Ravine. SW. - 8' ascend
- 3500 .. Summit.
- 4500 .. Ravine. SW. - 3'
- 4780 .. " W - 4'
- 5280 .. Set 1 M.P. 30 E of line fence propoerting to be Center Sec. line, I continue N. of center line through Sec 16
- 140 .. Ravine - S - 10'
- 836 .. Line bet. Secs, 9 + 16
- 1000 .. Ascend hill
- 3000 .. Summit descend
- 4150 .. Foot of descent
- 4450 .. Ravine. SW.
- 5050 .. Ascend
- 5280 .. Set temp 2 mile post, as the indicated Center Sec line. at this point is somewhat irregular I continue on center Sec line North.
- 500 .. Summit
- 905 .. Find original $\frac{1}{2}$ S Cor. post. Charred end, in mound plain pits. M + S
- 1400 .. Foot of hill.
