Append notes

1. The said road No 337 is but about one half as long as the old road made by teamsters in getting wood and timber from the mountains.
2. The Old timber road not being a County road is not kept in condition for travel at all times as persons work on the same only to make it passable for teams for the times being

If made a County road the same could easily be kept in good condition by applying the taxes or a portion of them on the road

→ Field Notes of Road Survey No 337 for Umatilla Co Or. ←

I met the full board of viewers on R No 337 for Umatilla Co Or as per order of County Court, June 28<sup>th</sup> 1890 and administer usual road viewers oath to each.

We call Edgar Thomson and Ernest Shepherd to chain and Geo A. Britcher to mark. On account of the exceeding amount of timber and dense underbrush we call Sebastian<sup>Call</sup> Britcher, Homer Shepherd Joseph Hastings and Benjamin Harffer as ar men, each assistant was qualified as directed by law.

I find old road post marked VM on S face on travelled road near center of SE 1/4 of NW 1/4 of Sec 4 T. 3 NR. 36 E. and set initial post 20 feet South of same. On var 20° with a Mason Theodolite I run

- 367° 22' E 250 Through scattering brush & timber to head of Draw N.
- 8'00 Reputed center of Section 4 very much brush
- 1137 Set angle post and turn 32° 30' left through brush
- 1360 Head of brushy draw, course N.
- 1832 Set angle post on beautiful knoll 6ft high and 10' dia
