We the undersigned viewers in the matter of County Road No 349, would respectfully report that we met J. N. Lawray Surveyor at the time and place appointed and calling to our aid George W. Sawcett and Edgar Thompson to act as chainmen and markers we were each and each of our assistants qualified by the surveyor as directed by law and proceeded forthwith to view out survey and locate said road as prayed for in the petition for the same. We find the road to be located on good ground and a practicable route and would therefore recommend that said road No 349 become a County Road
