		Continue course on section lines.
South	2000	Lane runs east.
	4690	Road in lane runs west.
	5280	Set 4 mile post 30' east of point, a fence is built N + S 30' west of line ostensibly for the purpose of lane for road 292.
		Continue course on section lines.
South	600	Descend gently
	1000	Set angle stake 30 ft. west of line against fence N + S, turn
S 37° 00' E	1250	" " " " east of point on rock bluff and turn
S 0° 30' E	1515	" " " " N E " " " " " "
S 22° 50' W	1883	" " " " West " " against fence N + S + turn on section line.
South	1930	Stewart Creek runs NW - 10' ascend
	2200	Enter Bradburns field, ascending gently.
	3000	Summit.
	4627	Leave Bradburns field: at this point Mr. Johnson has set fence south about 30 ft west of Sec. line, ostensibly for lane purposes; enter Johnsons pasture.
	5280	Set 5 mile post 30' west of point against Mr. Johnsons fence, course N + S.
		Continue course on section lines.
South	2127	Leave Johnsons pasture and enter lane at angle of traveled road in lane S + W.
	4750	Lane runs east at P. R. McDonalds residence.
	5100	Bridge on Wason Creek, course NW. ascend.
	5280	Set 6 mile post against fence 25 ft west of pt. and continue course.
	2158	Stone corner in center of S end of lane, I cut R on NE side of split larch fence post in angle of fencing N + W. 25' West of point, for terminus.

I hereby certify that the foregoing field notes are correct. - E + O.E.P.
