of said Dec 16 intersects County Road No 397 and running
thence in a South westerly direction following the old road as
now travelled across said Dec 16 and ending at a point
where the said old road now intersects County Road # 397
said point being at angle State No 21 on said Road # 397 -
E² Dec 16 T^p 2 N^r 32 E^W. said road to be 60 feet wide

Viewers Report.

To the Honorable County Board of the State of Oregon, for Umatilla County
We the undersigned, the viewers heretofore appointed to
view and locate Road # 430 submit the following report, Pursu-
ant to an order of the Honorable Board issued Jan 10th 1893
Surveyor at Pendleton Oregon on June 27th 1893 and were by
him, each duly sworn to faithfully and impartially dis-
charge the duties of our appointments. We called to our aid
O.L. Burkhart & E.R. Thomson Chairman who were by the
Surveyor, each duly sworn. We viewed, surveyed and located
said Road # 430 as specified in our order that the route
is a practicable one, that as compared with the road now
in use, the distance between the City of Pendleton and the
McKay creek bridge is much shorter and the grades mate-
rially lessened

We therefore recommend that said road (#430) be declared
a public highway
