In the Matter of viewing, surveying and laying out County road No. 559

To the Honorable County Court, of the State of Oregon, for Umatilla County:

We, the undersigned, the viewers heretofore appointed to view and locate Road No. 559 submit the following report: Pursuant to an order of the Honorable Court we met John W Kimbrell Surveyor, at A W Danbners House of April the 1904, and were by him, each, duly sworn to faithfully and impartially discharge the duties of our appointments

WE called to our aid Malcom Stevens )

A W Danbner ) chainmen.

Chris A Mostromy Marker.

who were by the Surveyor, each, duly sworn, we viewed, surveyed and located said Road No. 559 as specified in our order; We find the road practicable the cost of building culverts, grading and making the road in good condition for travel would be about \$50 or \$60.00; the different tracts of land through which the proposed road is located would not be damaged in any amount but would be benefited as all parties need the road for an outlet to public highways at either terminus of said road and is it would be of public interest in general we would therefore recommend the same be declared and established as a public highway of Umatilla County, Oregon.
