

Report Field notes + Plat of County
Road from near B.M. station to inter-
sect the Basket Mountain Road

To the Hon County Court Umatilla
County Oregon July 30. 1860

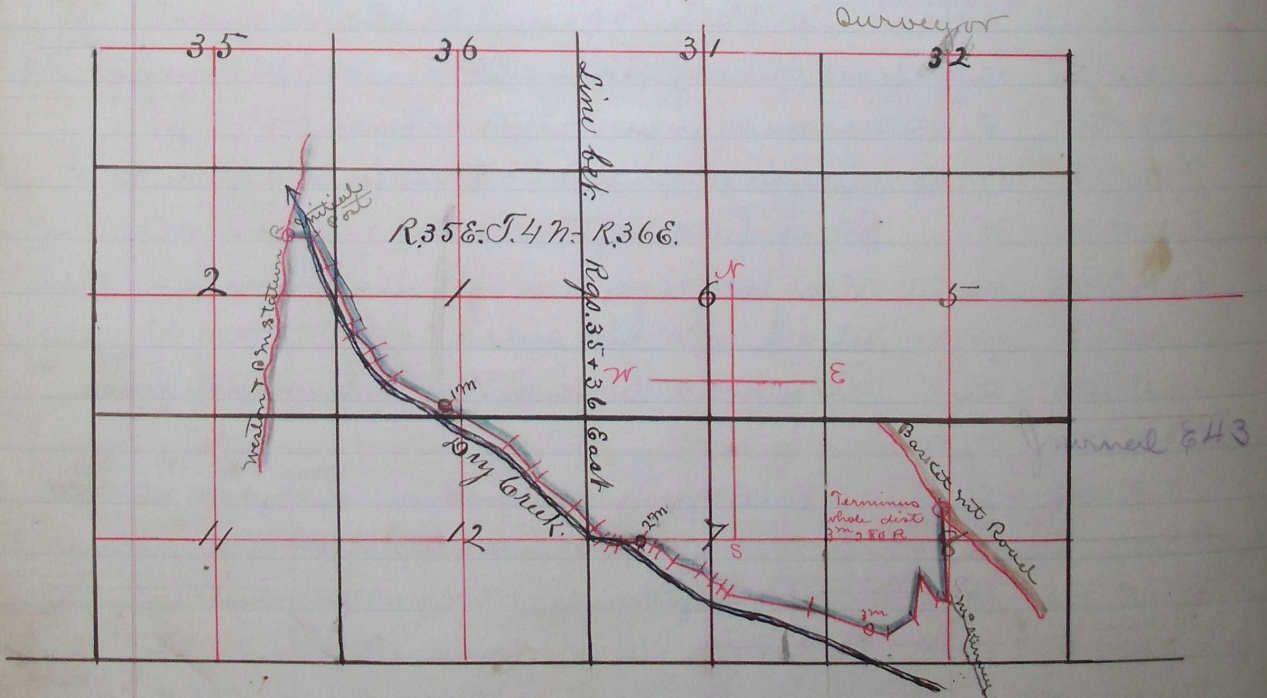

We the undersigned viewers
on a road leading from J L Downings up Dry Creek and
intersecting the Basket Mountain Road near widow Med
locks Residence. would Respectfully report that we
met at the time and place appointed by said Court
and calling Wm Fletcher and A Staggs to act as chambe-
rers and B F Raley to act as marker, who were each
duly qualified by Jas L Arnold surveyor we proceeded
to view out and survey said Road. we find the Road
quite a difficult one to open but on account of the
great need of said Road and the promise of extra
work on the part of parties materially interested in said
Road. we would recommend that the petition for
said Road be granted - J S Morgan }
Daniel O Harra } viewers
