I, S.M. Bellah, being first duly sworn do depose and say that I have correctly surveyed and marked with proper monuments the land represented on the plat of Block 4 of Richeys Addition to the City of Milton and of the Initial Point, shown thereon. I drove a galvanized iron pipe 2" in diameter 36" long driven 6" below surface of the ground and said Initial Point bears S. 89° 43' W. 318.2' from the 3 corner between Sections 1 and 2 T.5N., R.35E., W.M. The annexed plat of Block 4 of Richeys Addition to the City of Milton is a true and correct map of said Block 4 and is more particularly described as follows.

Beginning at the Initial Point, thence S. 89° 43' W. 276.5' to the intersection with the southeasterly boundary of the D.W.R. & N. Co. right-of-way; thence S. 60° 02' W. 49.94' along aforesaid right-of-way line; thence S. 89° 43' E. 318.2' along the easterly boundary line of the W.W.V.
