

## PLAT AND RECORD OF SURVEY No. 10

Walter Ed Thompson

Survey of Sec 28 T28R27  
 April 12<sup>th</sup> 1852

Went to  $\frac{1}{4}$  post on East side of said sec  
 and failing to find said post I went  
 to Sec Cor of 27, 28, 33 + 34. found said  
 corner in a good state of preservation  
 from which I run

- | Course | Degrees | Minutes | Chains | Links |   |
|--------|---------|---------|--------|-------|---|
| North  | 21      | 30      | 40     | 00    | Set temp $\frac{1}{4}$ post on E line of 28   |
| "      | "       | 80      | 50     |       | Found Coal + end of charred post of Cors of 28, 21 + 22   |
| West   | "       | 40      | 00     |       | Found no trace of Gov. $\frac{1}{4}$ post on North side of 28   |
| "      | "       | 80      | 00     |       | Found charcoal in mound + also Cor for sec 20, 21, 28, 29   |
| South  | "       | 40      | 00     |       | Found $\frac{1}{4}$ post on West line of 28 well defined Run  |
| East   | "       | 40      | 00     |       | Set temp. $\frac{1}{4}$ post in center of Sec -   |
| "      | "       | 80      | 00     |       | Intersect $\frac{1}{4}$ post on the East line of 28 -   |
|        |         |         |        |       | Went to $\frac{1}{4}$ post on South line of sec 28<br>and failing to find any evidence of the<br>Gov. Corners I proceeded to establish the same<br>by going to S.W. Cor of said Sec 28 and Run  |
| East   | 21      | 30      | 40     | 00    | Set temp $\frac{1}{4}$ post on south line of Sec 28   |
| "      | 21      | 30      | 80     | 00    | To South East Corner of said Sec 28<br>Returned and established permanent $\frac{1}{4}$ post<br>on the South line of 28 at a point<br>Equidistant from the S.E. + S.W. Corners of Sec 28<br>on a direct line between the two from<br>which I run        |
| North  | 21      | 30      | 80     | 00    | to the $\frac{1}{4}$ post established on the North line of<br>Sec 28 I returned to the center of said<br>sec and set permanent post for the center<br>of said section at the intersection of the<br>two corrected lines as shown in the annexed<br>plat |
