

# UMATILLA COUNTY ALCOHOL & DRUG PROGRAM

## SLIDING FEE SCHEDULE

The *Umatilla County Alcohol & Drug Program* establishes an hourly "Clinic Cost" of service for all service types. This Schedule is based on the consumer's gross household income and size (number of individuals contributing to and dependent upon the household income) and identifies the "least rate" payable. Third party payers will be billed at "Clinic Cost". Insurance co-payment is based on this "least rate" or the percentage remainder rates whichever is less. The rate established would be the hourly fee charged for services. No Consumer will be denied service based on inability to pay.

Applications for exceptions are available from program staff. *Exceptions must be supported by documentation and approved by the Program Administrator or designee.*

Consumers are charged per hour of service delivery time.
