

# **VOLUNTEERS NEEDED FOR AN ENVIRONMENTAL PROJECT**

**COME HELP US PROTECT OUR PLANET!!**

- What:** Household Hazardous Waste Collection Event  
**When:** Saturday, September 22, 2018 9 a.m. ~ 3 p.m.  
**Where:** Pendleton Convention Center parking lot  
**Who:** Any resident of Umatilla County

Umatilla County, in partnership with DEQ, is hosting a collection event for Household Hazardous Waste in an effort to properly dispose of these dangerous materials to keep them out of our landfills and the environment. Residents can bring unwanted hazardous substances to this central location to be properly disposed of.

Volunteers are needed to help greet the public participating in the event and direct cars to pre-determined lanes of traffic for the contractor to off-load the hazardous materials. Volunteers will NOT be expected to handle any hazardous waste materials, and will be provided safety apparel. Restrooms will be available onsite.

Volunteers for the morning shift will work 8 am ~ 12:30 pm starting with set-up, and a safety orientation. Volunteers for the afternoon shift should arrive at 11:30 am for the safety orientation and stay until 4 pm for clean-up. Breakfast, lunch, beverages and snacks will be provided for volunteers. Volunteers will also receive a cool T-shirt for participating in this event!

## **WE NEED YOUR HELP!!**

Please contact Gina Miller@ Umatilla Co Planning Dept (541) 278-6300 or [gina.miller@umatillacounty.net](mailto:gina.miller@umatillacounty.net) by September 1<sup>st</sup> to volunteer your group for this exciting environmental friendly event!
