same being designated as County Road No. 835)

TO THE HONORABLE COUNTY COURT OF THE STATE OF OREGON, FOR UMATILLA COUNTY:

We, the undersigned Board of County Road Viewers, heretofore instructed to view said road, submit the following report;

Pursuant to your order we met at Pendleton, Oregon on the 27th day of November, 1923, and having qualified as viewers proceeded to view said road.

We find the present traveled road to be a necessary and practical one and a benefit to the public, therefore, we respectfully recommend that a County Road of Umatilla County, Oregon be established following the center line of the said present traveled road and not along the center line described in the Resolution.

The center line of said present traveled road is approximately ~~XXXX~~ described as follows; Beginning at a point on the west line of Section 13, T. 6 N. R. 35 E. W.M. near the Northwest corner of the Southwest quarter of the Southwest Quarter thereof, where the present traveled road intersects the Market Road known as the Umapine - State Line Road, thence Southerly and Easterly following the center line of said present traveled road to the Southeast Corner of the Southwest quarter of the Southwest Quarter of Section 17, T. 6 N. R. 35 E. W.M.

We further recommend that a survey of the above described center line be ordered and filed with these proceedings.

We find that the lands through which this road is laid out are made less valuable in the sum of nothing.
