NOW ON THIS DAY this matter comes on to be heard for final disposition, and

It appearing to the Court that a Resolution was duly adopted on the 16th day of January, A.D. 1951, by this Court and entered in its Journal, declaring that proceedings to vacate the hereinafter described county roadway would be undertaken, and

It further appearing to the Court that the County Surveyor of Umatilla County, Oregon, has been notified of said proceedings and has made and filed herein his report in writing recommending a vacation of said road, and

It further appearing that due and legal notice was given by this Court, in the manner provided by law, of the hearing upon said report of said County Surveyor, due proof of the posting of which notices has been heretofore made and filed herein, and that no objections or remonstrances have been made or filed herein, nor has any person or persons appeared adversely thereto, and that more than thirty days have elapsed since said notice was given and posted as required by law, and

It further appearing to the Court that on the day set for the hearing on said report of said County Surveyor, this Court did consider said report, together with the said Resolution, and no remonstrances having been filed, nor any person or persons objecting thereto, and the Court being now and here satisfied that said road is useless as a part of the general road system, is burdensome to maintain and that the public will be better served by its vacation, and that the report of said County Surveyor is just and fair and favorable to the Court, and the same is now

hereby adopted, ratified, approved and confirmed, and the hereinafter described road, to-wit:

All that part of Road No. 111, 360 and 583, all being the same road; beginning at the South line of the Cobb Road, running thence South to a point 60 feet North of the North line of the Russell Blackler property, said point of ending being the point of beginning of a new road 60 feet in width, running East to an intersection with the Oregon-Washington Highway.

All being located in the Southwest Quarter of Section 36, Township 6 North, Range 35, E.W.M.

be, and the same is hereby, VACATED, and it is further

ORDERED that a record hereof be made upon the road map and plat book of Umatilla County, Oregon.
