Report of Board of County Road Viewers.

819  
In the matter of the County Road Petitioned for by Frank Hoan, et al.  
commencing at  $\frac{1}{4}$  corner common to Sections 12-13 of T. 4 N. R. 29 E. W. 11.  
To the Honorable County Court of the State of Oregon for Umatilla County.

We the undersigned Board of County Road Viewers, heretofore  
instructed to view said Road, report as follows.

Pursuant to our order we met at the beginning point of  
said road on the 28<sup>th</sup> day of December 1921, and the viewers having  
qualified, we proceeded to view the said Road.

It is our opinion that this road will be a benefit to  
the public if opened as a public highway, but not having time  
and owing to the condition of the weather we did not mark out this road,  
but most respectfully recommend that the <sup>Court instruct the</sup> Roadmaster to send his  
surveying crew down and survey out this road on the most practicable  
route and the best grades obtainable and then this road be opened  
on this survey line as a public highway of Umatilla County.

The land across which this road will be located will be made less  
valuable the more of nothing by reason of establishing this road.

We estimate the cost of opening this road at \$1500.<sup>00</sup>
