

NARRATIVE:

The purpose of this survey was to establish the East line of that tract of land conveyed to Riley & Joan L. Freeman as recorded on Page 298 in Book 295. The points found were as shown on Umatilla County Surveyors Drwg. No. 8-45-B. I set the Northeast corner of this tract but was unable to establish the southeast corner as it falls in the Creek. Bearings are based on the East-West centerline of Section 21 bearing South 88°40'03" West.
