NARRATIVE OF SURVEY

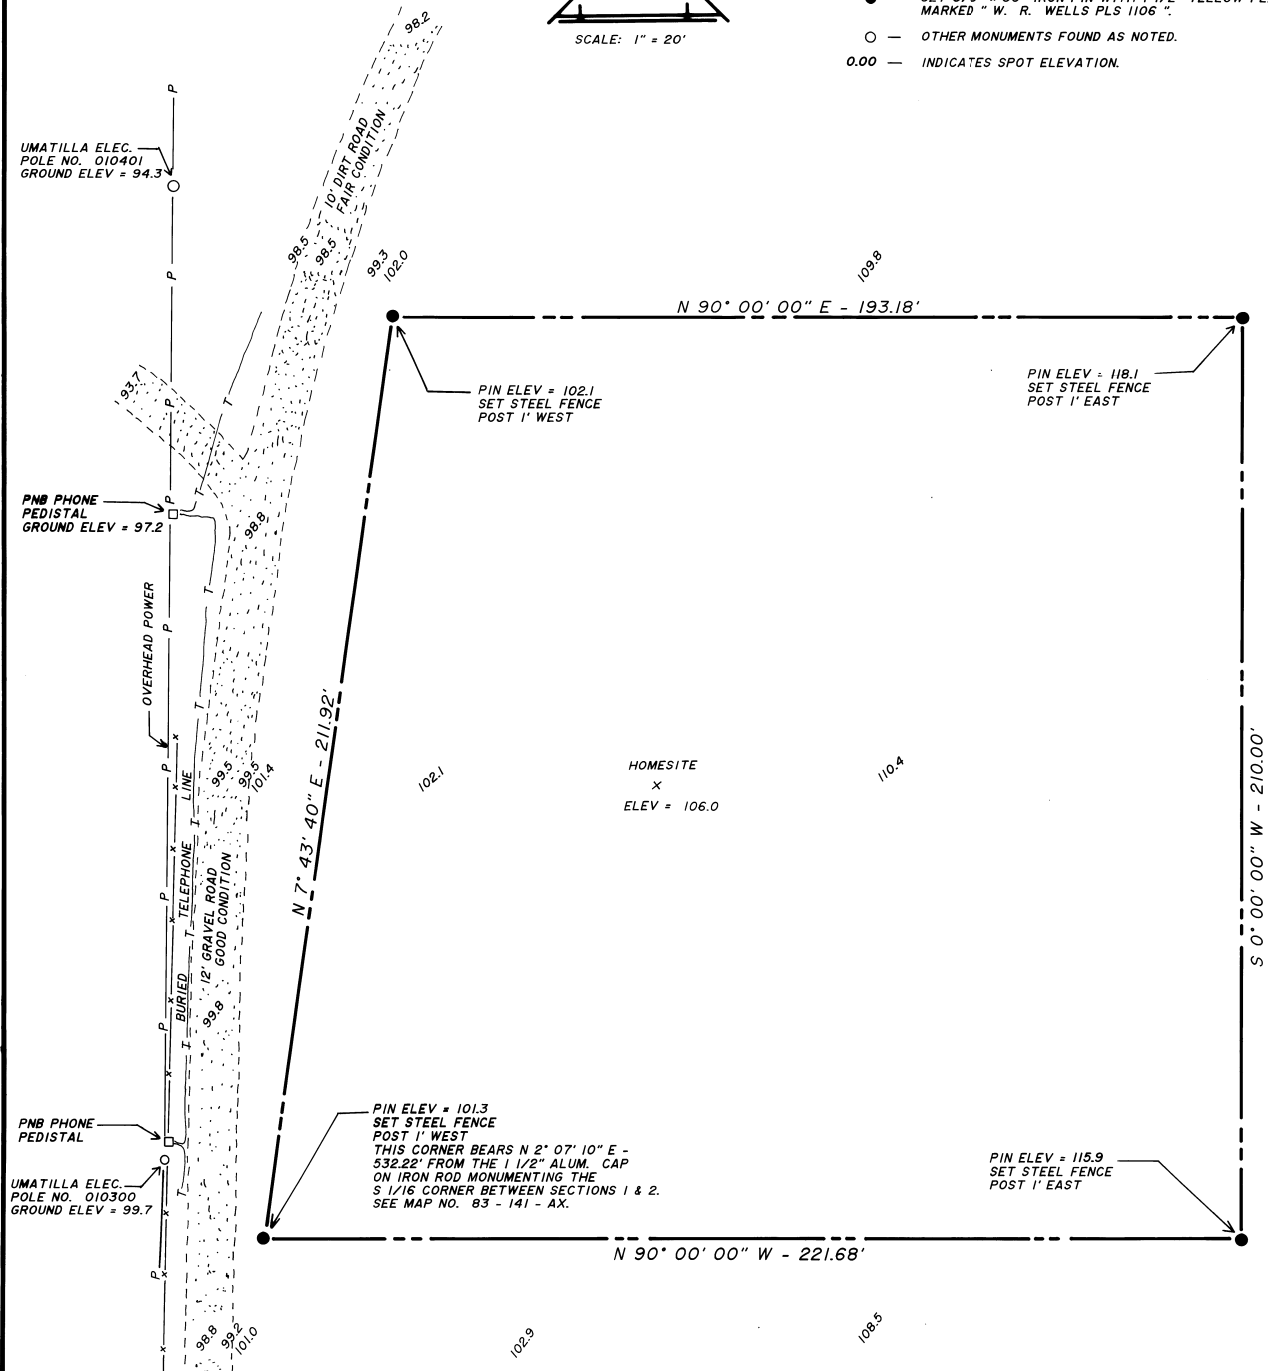

The purpose of this survey was to locate and monument the boundaries of a 1.00 acre homesite for the Umatilla Reservation Housing Authority. The surveyed homesite is located totally within the boundaries of Allotment WW-176. Bearings are based on ties to USC & GS Station "Misson" and its azimuth mark, using the 1927 datum. (See map of survey for Umatilla Reservation Housing Authority dated 8-20-82, filed in the County Surveyor's Office). For reference on the re-establishment of the South 1/16 corner common to Sections 1 and 2 see Map No. 83-141-AX, recorded in the County Surveyor's Office. The present survey was done with a 2-man crew using a MAC II H infra-red distance meter and a Wild T-16 theodolite.
