

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

V - 17
DIAGRAM

History of original corner establishment:

The original corner was established by George S. Pershin, deputy, (compassman) on October 27, 1871, under joint GLO contract No. 154, as follows:

T1S R30E
S27|S26
S34|S35
PLS 1636
2002

Set a stone, 25" x 7" x 4", on west side of spur for corner to sections 26, 27, 34 and 35.

Original corner evidence recovered:

Found the original corner stone loosely set in a mound of stones. The corner stone is 23" x 8" x 5", and is plainly marked with five notches on one (north) edge and two notches on another (east) edge.

Monument and accessories established to perpetuate the original position of this corner:

In place of the original corner stone, I set a 1" x 18" flared, galvanized iron pipe 15" into the ground. A 2 1/2" brass cap attached to the top of the iron pipe is marked as shown in the diagram above. I place the corner stone horizontally along the west side of the pipe and build a mound of stones around the corner stone and pipe, from which:

A 5/8" x 24" iron rod set 23" into the ground with a 3/4" brass washer, marked "PLS 1636 26", attached at ground level, bears N53° 30' E, 72.4 feet.

A 5/8" x 24" iron rod set 24" into the ground with a 3/4" brass washer, marked "PLS 1636 35", attached at ground level, bears S27° 30' E, 111.6 feet.

A 5/8" x 18" iron rod set 14" into the ground with a 3/4" brass washer, marked "PLS 1636 34", attached at ground level, bears S28° W, 163.6 feet.

A 5/8" x 18" iron rod set 12" into the ground with a 3/4" brass washer, marked "PLS 1636 27", attached at ground level, bears N66° 30' W, 90.2 feet.

I nail a "Witness Post" sign to a wooden fence post 0.8 feet east of the corner.

I hereby certify the above corner point was perpetuated as hereon described on March 3, 2002. Magnetic declination set in compass: 22° E.
