

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

T 2N, R 32E. , W.M.

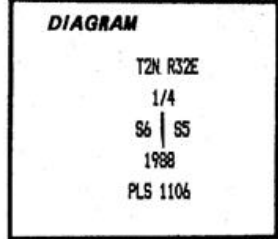

Corner Code No. C-5

Note: Monument marked as shown below

History of original corner establishment:

This corner was originally established by D. Chaplin, U.S. Deputy Surveyor, under Contract No. 107, dated August 21, 1864. The original notes state that at the corner a 24" by 12" by 10" basalt stone was set for the corner.

In 1900, this corner was declared lost and was reestablished by John Kibrell during his County Survey No. 142. Kibrell's record states that at the reestablished corner point "Set basalt stone 16 by 8 by 6 for 1/4 Sec. Cor.". We note that Kibrell's record shows improper proportional measurements for reestablishing this corner.

Corner No. Compass Declination 18.0

Description of corner evidence found:

None. The corner area has been destroyed by road construction years ago. The corner was reestablished by single proportion measured between the existing S.E. and N.E. corners of Section 6.

Description of monument and accessories established to perpetuate the original location of this corner:

At reestablished corner position, I set a 2 1/2" brass cap on 1 1/2" by 30" galv. iron pipe, 24" in the ground and surrounded with a mound of stone. Set two reference monuments to reference the new monument. From the new monument:

A 1 1/2" yellow plastic cap marked "W.R. Wells PLS 1106", set on a 5/8" by 30" iron rod bears S84° E 26.92'.

A 1 1/2" aluminum cap, marked as shown, set on a 5/8" by 30" iron rod, bears N3° E 16.25'.

Set a steel fence post south of corner monument and attached witness corner sign.

Set steel fence posts near each reference monument and attached witness corner and bearing object signs.

The aluminum cap on the reference monument is marked as follows:

REGISTERED PROFESSIONAL LAND SURVEYOR

Will R. Wells
