Previous Renewals/Surveys, etc. Renewal by R.P. Thompson, Nov. 1972
County #H-242-A. He found a stone and set I.P.

Monument(s) & Accessories Found: (Condition and Source)

I did not find Thompson's stone or I.P. I found two of his
monuments to the north and set the section corner using Thompson's
angles and distances. The corner is located 0.9 feet N.W. of
a large power pole which probably destroyed the stone and I.P.
in placing the pole.
