

AGENDA ITEM FOR ADMINISTRATIVE MEETING () Discussion only
(x) Action

FROM (DEPT/ DIVISION): CDDP/Veterans

SUBJECT: Department Reorganization

<p>Background: The transfer of the Alcohol and Drug Program to Community Counseling Services has created a need to reorganize departments and also for placement of the Veterans Program.</p> <p>This proposal would create a new department, separate from Human Services Program to include Developmental Disability Services and Veterans Services. This reorganization would include reclassification of the Developmental Disability Supervisor to the Director of CDDP/Veterans at Range 37 to provide oversight over both programs. Funding for the position will be appropriately split across both funds. Human Services Department will be eliminated and oversight of the contract for Mental Health, Addictions Treatment, and Problem Gambling Services, will remain with finance and legal staff.</p>	<p>Requested Action: Effective September 1, 2021, reorganize departments to create a department comprised of the Developmental Disabilities Program and the Veterans Services program and reclassification of the current Development Disabilities Supervisor to the Director of CDDP/Veterans (R37) with overall responsibility of both Programs.</p>
