() Discussion only
(X) Action

FROM (DEPT/ DIVISION): Public Works
PROGRAM: 4530-60290 Public Works, Equipment/Miscellaneous
SUBJECT: Used 84” Smooth Drum Roller Purchase

<p>Background: The Public Works Department is interested in purchasing a used 84” smooth drum roller. This purchase is on the current equipment replacement list. A Request for Proposals was issued for this machine. Proposals were received on 4 machines from 2 vendors. Copies of the proposals are attached for review. The recommendation is to purchase the lowest cost equipment. This machine would be an addition to the current fleet. Current work load has required us to rent a machine and we feel it would be in the best interest of the county to purchase our own machine rather than rent, based on the projection of future work.</p>	<p><u>ACTION REQUESTED:</u> Authorize purchase of a used 2017 DYNAPAC CA3500D roller with 703 hours from Modern Machinery in the amount of \$101,900.00</p>
