(XXX) Action

FROM (DEPT/ DIVISION): UCo Health

SUBJECT: AED Purchase

<p>Background: The 4 AEDs in use by UCo Health have gotten old, and replacement parts for maintenance will soon no longer be available. With this news, UCo Health reached out to other county building locations and inquired about the status of any existing AEDs or desires to place additional AEDs for better coverage. We found that all of the existing AEDs are aging and need to be replaced. Additionally, we found that there are 7 locations where new AEDs would be beneficial. UCo Health is proposing to make a 1 time purchase to place 16 new AEDs in various county buildings. Funding for this purchase would utilize our PH Modernization funds. Purchase price is based off of NASPO contract.</p>	<p>Requested Action: Approve purchase of 16 new AEDs for placement in county buildings and payment to Cardiac Life in the amount of \$33,158.52</p>
