DEPARTMENT REQUEST TO VOID #R-005-26, CONDITIONAL USE PERMIT #C-1348-22: RONALD BUWALDA, IN CARE OF BARBARA CHRISTLEY, PROPERTY OWNERS. The Community Development Department requests the Planning Commission void Conditional Use Permit (CUP) #C-1348-22, issued to Ronald Buwalda. The CUP was issued for a scrap iron and salvage yard on a Light Industrial zoned property. A condition of approval was imposed that “a fence may be required in the future if the material becomes visible from the public rights-of-way”. The permit holder has repeatedly had activities visible from the right-of-way and has failed to install fencing as required. Umatilla County Development Code (UCDC) §152.613(F) provides the procedures for the County to void a conditional use permit.
