

Notice of Measure Election

Notice is hereby given that on August 30, 2021, a notice of measure election was filed by the Pilot Rock Rural Fire District, 7-401 to be submitted to the district's voters at an election held on November 2, 2021.

Five year Local Option Tax for General Operations

Question:

Shall the District impose \$0.82 per \$1,000 of assessed value to maintain its current level of service?

Summary:

This measure renews current local option taxes.

If approved, the tax revenue from this measure would be used to operate the District at its present level of service.

The funds generated by this measure will allow the District to continue providing emergency medical services by the Pilot Rock Quick Response Team (QRT). This is an optional, but vital, service the District has been providing since 1990.

The funds will be used to provide adequate and appropriate safety and personal protective equipment for the firefighters of the District, which enables them to engage in structural and wild land fire suppression activities.

The funds will also be used to repair, replace and maintain the District's vehicles as needed.

I hereby state that I am authorized by the district elections authority to submit the Notice of Measure Election; and I certify the notice of receipt of ballot title has been published and the ballot title challenge process for this measure completed.

Timothy Weinke, Board President

The election will be conducted by mail.
