

NARRATIVE:

The purpose of this survey was to resurvey a parcel of ground now belonging to Western Heritage Savings and Loan. Control for this survey is based upon a prior survey done by this firm for E.O.C.I., Co. Surveyor No. 84-05-C. This information was used for the bearing based which is the City of Pendleton Control Network. The points shown as found are as identified on Co. Surveyor No. B-10-A and G-4-C. The bearings in the legal description were rotated 0°2'15" to match the City of Pendleton bearings.
 Three of the property corners were found as shown but there is no survey of record showing who set them. The City of Pendleton coordinate for the section corner does not fit the other points we tied into.

- denotes set 3/8" x 30" iron pin with aluminum cap stamped PLS 933
- denotes find 3/8" iron pin, unknown origin
- ⊙ denotes find 2" Brass Cap
- ◊ denotes find 2" iron pipe
