Eligible transportation providers are hereby notified that Umatilla County is currently accepting applications for the several grant funds, which must be subsequently approved by ODOT. Successful proposals will receive funds beginning July 1, 2022.

### 5310 Program

Interested transportation providers who are eligible shall complete the application available online at the link at the end of this notice.

**Providers must list Umatilla County as the STF agency with the contact email: [Megan.Davchevski@umatillacounty.net](mailto:Megan.Davchevski@umatillacounty.net) to be considered.**

Completed applications must be received by Umatilla County Planning Department by 12:00 pm on January 24, 2022. Applications will be reviewed by the Umatilla County STF Advisory Committee, if multiple projects are received (more than 1), the projects will be ranked. The Advisory Committee will make a recommendation to the Umatilla County Board of Commissioners, who will determine the final ranking of projects. Project proposals will then be submitted to ODOT for final project approval.

For further information concerning the above request, please contact Megan Davchevski, Transit Coordinator, at the Umatilla County Planning Department, 216 SE 4th Street, Courthouse, Pendleton, Oregon 97801; telephone (541) 278-6246; email [Megan.Davchevski@umatillacounty.net](mailto:Megan.Davchevski@umatillacounty.net).
